## Something seems to have gone wrong

Please accept our apologies! There could be several reasons why there is an error:

it's possible the page has been deleted;  
the link you clicked on may be out of date and no longer exists;  
you may have incorrectly typed the URL;  
there may be a technical problem on our side.

Please try retyping the URL or return to the [Dictionary of Welsh Biography](#) home page.

Whatever happened, we would like your help to correct the problem. If you could please let the [Enquiries Service](#) know that you've found a problem, and include the URL of the page along with the date and time you encountered the error. Thank you!
